

Information to members based on decision taken at 32nd Meeting of CEOs & MDs:

- 1) RVO's have to go for Security Audit of their Accounts.
- 2) The RVOs were requested to complete the peer review and to present the findings, learning and key messages emanating from the peer reviews in a one-day workshop.
- 3) The RVO's need to indicate the valuation standards being adopted by them.
- 4) The RVOs should intimate to their member RVs that in the Valuation Report, the RVs must clearly indicate the Valuation Standards followed by them. In case, they opt for any deviation from any standard, justification for the same should be provided.
- 5) The RVOs are requested to publish information of their registered valuers on their website.
